SHORTHORNS

JAMES A. HUSTON, Prop.
GRANVILLE, OHIO

WILKINHOLM BARD 1067702, chief stock bull at Wilkinholm Farm. This great sire has many of his offspring listed in this catalog. He is impressively masculine, is of good size, full of quality and as a stock getter has few equals as you will know when you have visited the farm and studied the catalog.

He is a son of the well known sire Maxwalton Mandarin that was by the famous Revolution and was out of the great show cow Maxwalton Mina 8th. His dam, Elmhurst Butterfly, was by Bard's Conqueror by the noted Bard of Avondale and was out of Brandsby's Butterfly 4th (imp) that was bred by Strickland and sired by his famous stock bull Augusta's Victory. It will be seen that he has inherited his characteristics as a great sire from ancestors that have done most to improve the breed in America and in Britain.

Invitation

TO SHORTHORN BREEDERS:

Wilkinholm Farm's Herd having outgrown the winter capacity of the farm, we have been persuaded that the best method of reduction is to have a sale by auction.

This catalog lists the lots which are to be sold on October 30. It contains the names and pedigrees of eighteen cows that now have very excellent calves at foot; two cows that will drop calves soon after the sale; ten open heifers and five heifers that are bred to our junior herd bull, Wilkenholm Gauntlet. Ten bulls will be sold.

In making up this selection we have included all of the young bulls that are now, or soon will be of serviceable age, that have been dropped on the farm and have not already been sold. We have tried to select of the females in the herd an even half in numbers and worth as breeding cattle.

We trust that you will come to our sale and that you will come early enough to have an opportunity to see our cattle, not only those that are to be sold but those which are to be retained in the herd. If you do you will become convinced that this is not in any sense of the word a dispersion of the herd. Nor is it a culling out. The sale is held merely because the herd has grown to such proportions that some of them must be sold. We feel assured that you will like the cattle we are offering and will obtain much profit from those which you may purchase.

JAMES A. HUSTON.

From the standpoint of numbers of prolific matrons, cows with calves at foot, and bulls and heifers bred and reared on this farm, this sale is outstanding. The bulls are an extraordinary lot. They combine the choicest of pedigree with wonderful conformation and character. I have not seen their equal at auction for a very long time.

But the females are just as desirable as the bulls. Eighteen great matrons of fashionable pedigree, ideal type and of the utmost femininity sell with calves at foot. These calves and the yearling bulls and heifers will prove that the stock bulls, Wilkinholm Bard and Wilkinholm Gauntlet, possess outstanding merit as sires.

If you have not seen this fine farm and this great herd of strong healthy producing cows and impressive bulls, you will be well repaid for attending the sale whether you buy or not. This catalog tells the story.—Will Johnson of The Shorthorn World.
